* Valid for post offices with working hours 00-24 and post offices that are open at night

If the payment order is received after time frames indicated in the Time Schedule Plan, the date of execution is the following working day.

Exceptionally, should the conditions so allow, the Post shall execute payment transactions on the basis of payment orders received after the stated times, on the same working day.

Working days do not include Saturdays (except in the case of the Postal Savings Bank), Sundays, nor public holidays celebrated in the Republic of Serbia. Payment orders received with the indication "urgent" are executed on the same day.
